

I love being able to a radio station that plays positive and encouraging music in my area. K-LOVE is the only station in my area that consistently plays the kind of music my family and friends love to hear. If K-LOVE were to be displaced by an LPFM broadcaster we would have nothing like it that met our needs and tastes. It is especially important that there is a broadcaster that offers 24-hour service that EVERYONE in the family can listen to. Nothing has to be censored when listening to this station. We truly believe that the service provided by K-LOVE is in the public interest.

Thank you.
